The following resolutions were adopted with unanimous assent:

Resolved, That the honorable contrast between the conduct of our representatives in the Common Council and those members from other Wards, who have brought scandal and reproach on their constituents by advances against the law, for which so many of them stand arraigned, is a blot on the honor of the City, and has been manifested since the Ward was formed, of our independent foundations for Charter offices, ignoring party ties and seeking only to elect men of ability and unblemished character to manage our local affairs.
